Around the Square

Postmaster Eddie Robertson phoned us the other day with a "believe it or not" just for the books.

Seems as how the Parsonage of the Congregational Church (Rev. Carl Smith's house) is located at 169 South Baldwin. Also seems as how a family by the name of Parsonage occupies—yeah, you guessed it—169 North Baldwin.

What chance does a postman have—what with dogs and this sort of thing?

Bill Estes is one of those volunteer firemen who is burning to get under way to the San Francisco Convention. As was suspected by Chief Heasley, Bill's group plans to go North via Reno.

Wonder if anybody'd drop us off at Chicago on the way?

We appreciate the sign on the little truck that parks at Andy's corner—bearing a sign thus:

"Lite Haulin"

Personally we too, prefer lite haulin to hevy.

Did you see the bride in the Wistaria Bakery window? She was a vision with a tiered tin-funnel skirt, a wasp waist and a shapely tea strainer face complete with wide blue thumb-tack eyes, rose bud mouth and a striking full length veil of copper mesh.

In case you think we are in the first stages of D. T.'s we hasten to assure you it was all in fun and the bride a decoration for the Lawrence Murrays' tenth and tinth wedding anniversary.

Remember the story a couple of weeks ago about the lost German Shepherd who found a home with Rusty Richardson on Canyon Crest? And her dachshunds who hoped he would move?

Well, no sooner did our paper hit the streets (sounds good) than Mrs. Virginia Stimpfling Wells realized that the wanderer must be "Max", the family dog who had been shipped down from Napa, Calif., early in July.

Two days after his arrival the dog took off after the young son of the household and was never seen again—not until, paper-in-hand, the Wells' called on Mrs. Richardson and established the huge dog's identity.

So Max has gone home with his young master, the Richardsons are desolate and the dachshunds are in fine fettle.

Semi-happy ending.

Another dog story that we are cherishing is that of Jessie Dunning and the brindle bull terrier that seemed fated for the gas chamber.

Mr. Ward, of here, informed us, that he had seen the little guy going off to the Pound. Miss Dunning called us on a very different matter but we overflowed and told her about the dog.

Two hours later she called again to say that she and the brindle bull terrier had just finished supper and were going for a walk.

We met them Monday, both appear happy and he has been named Ginger.

Completely happy ending.

A piece of ingenuity was applauded last week by R. C. Lewis who reports that, when trapped behind a garbage truck as he drove up from Long Beach, he observed a sign on the rear of same. It read thus:

"A sloppy business—efficiently handled."

HEARING ON RIGHT OF WAY VIOLATION SET FOR TUESDAY

Hearing of Dr. Phillip Meyers, 700 Canyon Crest Drive, has been set for Tuesday morning on charges of failure to give right of way.

According to police report, he was cited last Tuesday after a traffic collision on West Grandview and Sunnyside with Frank Hildebrandt, 1326 S. 6th Avenue, Arcadia.

ANNUAL MISSIONARY PICNIC HELD FRIDAY

The Woman's Missionary Society of Bethany Church is holding its annual picnic this week Friday at the Park House, 11:00 a. m. New comers will receive a special welcome at the luncheon.

NOT SEEING DOUBLE, just the lovely likeness of Diana and Donna Norris, 16-year-old twin daughters of Mr. and Mrs. George Norris of Mariposa Avenue, snapped as they attended the recent convention of twins held at Huntington Beach. The blonde talented girls have signified their intentions of entering John Muir College this semester.

Mobile Unit for Blood Donors Due Here October 16

The Mobile Blood Donor Unit of the American Red Cross is to visit Sierra Madre October 16 as part of a county-wide drive to secure blood donations for Veterans Hospitals and establishment of a Blood Bank Credit system.

Dr. John L. Woehler has been appointed chairman of the local Blood Donor Service with Mrs. M. R. de Wright as assistant chairman.

Two plans have been developed by the Service, the first of which provides that donors may restrict their blood for distribution to a Veteran Administration Hospital. An acknowledgement card is mailed to the donor on arrival of blood at its destination.

Second innovation is establishment of the Blood Bank system whereby each donor is given a Blood Bank Book wherein his contributions are listed. Donors establish a credit which can be used by themselves or any members of their family, provided they require whole blood transfusions at a later date and provided they are under care in a hospital approved by the Los Angeles County Medical Association.

Appointments for the October 16 Unit visit should be made beginning now, anyone wishing to donate should call the local Red Cross.

A minimum of 200 donors is needed.

Fire Control Volunteers Clear Flats

Eleven members of Sierra Madre's volunteer Fire Control Service made a Sunday raid on Chantry Flats to clear away dangerous brush surrounding the permanent incinerator established there.

After a 7 a. m. breakfast, the well-organized volunteers set to work for three hours, after which they made a tour of the area to formulate plans for further improvement.

Service members included Norman Jensen, Stanley Fish, Jack Chunn, Harold Roberts, Harry Humphreys, Wally Nollac, Walter Nollac, Joe Stephens, Brad Cushing, Dick Estes and Jack Shearer.

Hearing Asked For Boost In Local Telephone Rates

The California Water & Telephone Company has filed an application for a hearing before the Public Utilities Commission of the State of California for the purpose of requesting an increase in local telephone rates, according to F H. MacGoughan, company manager.

"To meet the unprecedented demands of the times, and to keep pace with California's amazing development, the company is engaged in the most extensive program in its history, involving the capital expenditure of several millions of dollars," Mr. Mac Gougan said

"Already, the company has made net additions to its plant in excess of $800,000 during the past eighteen months. The rate increase requested is not to provide funds for this improvement and expansion program, but to place the company on a sound economic basis so that it will attract outside capital.

"Funds for improvement and expansion must come from investors, thrifty Americans from all walks of life, who are not willing to invest their savings without a reasonable assurance of a fair return. The increase in rates asked for," Mr. MacGougan explained, "is the only way to establish a sound credit position and make it possible to offer investors that reasonable assurance they require."

The increase in rates for this area will vary from 25c to 75c per month for residence telephones, and from $2.25 to $3.00 per month for business telephones. Discounts for prompt payment will be discontinued. The reason for the larger increase for business telephones is because the present rates are exceptionally low since they were established at a time when this exchange was a very small one and the number of telephones in the area very few.

NINE S. M. STUDENTS TO ENROLL IN JOHN MUIR COLLEGE

Nine Sierra Madre students are headed for entrance into John Muir College this year. Local enrollment includes Calvin Floyd, Elmer Gutherz, Gary Griffin, Stewart Macauley, Donna Norris, Diana Norris, William Sparger, Ted Tarwater and Rollin Woodworth.

Council Meets To Discuss City Census

Tuesday's City Council meeting, postponed because of Admission Day, was to be held last night after the NEWS went to press.

Scheduled to come up for discussion was a letter from City Attorney Thomas A. Reynolds, concerning the proposed census taking of the city to provide a wider basis for receiving funds from the State gas taxes.

Mr. Reynolds included a letter from J. C. Capt, Director of the Bureau of Census, Washington, D. C., in which an estimate of 800 was given for the count.

Mr. Capt's letter itemized the estimate as follows:

Enumeration, necessary local supervisor and clerical assistance, $375; Salary and subsistence of supervisor, $294; Tabulating of results, $60; Printing, supplies, etc., $71.

Also on the agenda was a letter from the American Legion requesting that the Boys Christian League be allowed to use the Dug Out Monday afternoons and Thursday evenings.

CITY'S WELDING TO BE WELL WELDED AND FOR FREE

Whoops! the City got something for nothing! In these days of dear living, it did Street and Water Superintendent Joe Swanson's heart good last week to announce that the City of Sierra Madre received, for free, an arc welder which normally would cost about $1000.

The miracle came about through the U. S. Maritime Commission which had to vacate quarters in Wilmington and declared the arc welders to be surplus items, which would be donated on a first come, first served basis.

Superintendent Swanson and the members of the City Council went down to examine the equipment, put in application for one and have received notice to come and get it.

The City never has owned a welder and has been forced, either to rent one, or pay for repair work of all steel equipment.

High Court To Iron Out Water Tangle

Sierra Madre held its nose and dove again into the obscure depths of water litigation as the Supreme Court of California granted the recent petition of all parties for a rehearing of the latest decision on the famed Pasadena Water Adjudication of 1943 which allocates the underground waters of the Raymond Basin to Sierra Madre, Arcadia, Monrovia, Pasadena, Alhambra as well as to 24 privately owned companies.

The hearing is scheduled on the Court's October calendar.

Last May the District Court, on appeal of Richard Goodspeed, of the California-Michigan Land and Water Co., reversed the Pasadena Superior Court ruling. The new ruling apparently was not satisfactory either to Goodspeed or to any other parties involved and so the Supreme Court was petitioned to hear the entire case.

According to City Attorney Thomas A. Reynolds, the case for Sierra Madre will be argued by Kenneth Wright, who also appears for several individual water companies.

Mr. Reynolds said that progress on discussions with Arcadia in hopes of gaining water from the Big Santa Anita was halted until the Supreme Court decision should be handed down.

He said he hoped for a decision this Fall in order that measuring devices could be installed in the settling basin where the Big Santa Anita water would be piped.

Kindergarten Age Prerequisite Set By State Code

Following is an announcement of School Supt. Charles A. Skutt, relative to legal ages for kindergarten students:

The Education Code, Section 8404, states that "if there is but one term during the school year, the child shall be four and one-half years of age on or before September 1st of the current year." Similarly a child must be five years and six months old by Sept. 1st before entering the first grade. There was no change by the recent legislature in the section of the Code as it affects the Sierra Madre City School. The local public school maintains a one term year, Mr. Skutt said.

P. T. A. BOARD MEETING HELD

To formulate plans for the Fall and Winter school terms, members of the PTA Board of Directors met last Tuesday evening at the home of President Mrs. Robert Summers.

City's Bank Account Healthy; Not Hidden

Night Lights Give Frights —Just Sights

Those flickering lights on the mountainsides at night are not just spots before the eyes, nor a Bund meeting—according to City Engineer Joe Hurley they are the lights of County surveyors who are working on a complete survey of the City of Sierra Madre.

The pin-point of light aids to give a true sighting, which cannot always be obtained during the day when atmosphere distorts vision.

The tower which has been erected on the mountain side and has caused much comment, was necessary to get above the brush.

The County survey is being pushed ahead rapidly to make results available for preliminary sewer surveys.

Incinerator and Pipeline Are Part of City Expenditure

The annual audit of the City of Sierra Madre, prepared by W. R. Wright and presented to the Council at its final August meeting, both verified and denied the rumor, current for several months, that a "secret fund" of city monies was mounting in a bank

The "fund" is there alright, United States Savings Bonds with a maturity value of $75,000. now in the custody of City Treasurer C. J. Pegler and lodged in the Bank of Sierra Madre.

But, on the word of Mayor J. Milton Steinberger, Councilman W. J. Schiltz and Councilman John Froehlich, there never was any "secret" about the monies which have been laid aside since 1940, during years when lack of labor and material forestalled many public works which still face the community as necessities.

A cool $10,000 of the fund already is plainly earmarked for building the new Public Library. Much of the rest of it has a long way to go before maturing and, at face value, would bring much less than the publicized sum of $75,000.

Lest anyone toy with the idea of pressuring the Council with pleas for expenditure of the fund, a statement was issued Friday by the aforementioned Councilmen listing the future work book that confronts the community.

First, it appears inevitable that Sierra Madre will be forced to construct an incinerator. Meetings with Monrovia, Arcadia and El Monte have proven that this city would bear a heavy burden in expenditure, plus the cost of transporting all material, if a central incinerator were built far removed from here.

The present method of burning is costly in man-power, Mayor Steinberger explained, since the Forest Service has required that we burn in small amounts each day and that two men stand by with fire hoses and a third ready to drive the bulldozer over the blaze should it attain dangerous proportions.

It has been estimated that the city could construct an incinerator at a cost of $40,000.

Second, the city is being forced to replace old water mains which are no longer serviceable. This is being done slowly but at considerable cost.

Third, in order to secure additional and vitally needed water from the Big Santa Anita, the city will have to match money with the Flood Control District for the laying of pipeline from the Dam to our own spreading grounds.

Fourth, it will be necessary to provide funds very soon for preliminary surveys for the sewers, due to go in perhaps within the year. These funds, according to the Mayor, may be replaced after the sewer bonds are issued.

Last of all, and this is according to all the Councilmen, there has to be a surplus working fund in order that the city function.

TWO LEADERS NEEDED BY GIRL SCOUTS

WANTED— Two interested Sierra Madre women to provide leadership for two Girl Scout troops who otherwise as Scouting gets into swing for the Winter, would be left high and dry and perhaps be forced to disband.

Mrs. Dan Strite, head of the local Girl Scout Association, has issued the plea for leaders, assuring anyone intrested that training and information will be given. Mrs. Strite can be reached at her residence, 555 North Auburn.

Beloved Nonagenarian Passes Away At Home

Mrs. Hortense Hill, who celebrated her 92nd birthday on Sept. 2, passed away Tuesday evening at the home of her daughter, Mrs. George Morgridge. She had been in good spirits during the day, enjoyed her evening meal and visited with a nephew, Donald Seager, before retiring to her room. Within a few minutes she was heard to fall and was found unconscious. Dr. Phillip Woodworth, who was called, said the end probably had come immediately.

Last December Mrs. Hill suffered a fracture of the hip, from which she made an amazing recovery. The variety of her activities since then had been characteristic of the indomitable spirit which had carried her through a life of helpfulness.

Born in Southern Minnesota in 1855, Mrs. Hill had vivid recollections of pioneer days, including the Indian outbreaks. Her parents were among the first Swedish settlers in the region. She was married in 1877 to Howard Hill, a builder, and they resided in Saint Paul until coming to Los Angeles in 1894. They came to Sierra Madre in 1906. Mr. Hill passed away in 1923.

Widely known for her unselfish, helpful spirit, Mrs. Hill was greatly beloved throughout the community. She was an active member of the Congregational Church and was a past matron of the Eastern Star Chapter of Sierra Madre. She was the last remaining charter member of Columbia Circle, Ladies of the G. A. R., of Los Angeles.

Surviving Mrs. Hill are Mrs. Morgridge and a son, Victor C. Hill of Hemet; grandchildren, Mrs. Harlow Mills and Howard Morgridge, and Victor Hill, Jr.; and a great granddaughter, Christine Mills.

The funeral services will be held tomorrow, (Friday) 2:00 P. M. in the Congregational Church in charge of Grant Chapel.

75 TERMINAL LEAVE BONDS CASHED HERE BY WAR VETERANS

Three lines of Sierra Madre veterans moved slowly to the wickets of the Bank of Sierra Madre last Tuesday as payment of terminal leave bonds was made.

A. E. Morgan, bank director, disclosed that over 75 bonds already had been redeemed, ranging in sum and cashed for such important and diverse reasons as "marriage, purchase of automobiles and payment of bills."

Fathers Show Victual, Vocal Prowess Before Admiring Scouts and Brownies

"She was sweet sixte-e-e-n
The village que-e-e en
Daaown by the aaold mi-i-il stre-e-em!"

The waning moon looked down with considerable interest on a group of about 40 men who serenaded their Scout and Brownie daughters last Wednesday evening after having singed their eyebrows and ruined their digestions at the first Father-Daughter cook-out held on the grounds of the Youth Hut.

Assembly began at about 5 o'clock and by 6 the place was alive with uniformed girls and fathers (whose uniform generally consisted of shirt, slacks and a resigned look.) Open fires were built out under the oaks and the stars, and the fathers took on the job of roasting wieners, buns and themselves. Daughters ran back and forth with paper plates and cups of fruit punch, until a familiar aroma rose on the air, and then the fathers began running back and forth with cups of coffee.

An average of four hot dogs and buns was eaten by each of the 120 persons, large and small, who gathered there. (A few fathers broiled hamburgers over coals and were objects of envy of all who were near enough to smell.) The potato salad went all the way around once and then gave out completely, only to be replaced by marshmallows, chocolate and graham crackers which were toasted together into a perfectly delicious glob for dessert.

After supper the whole group joined in a circle and the singing began under the direction of expert Mariners, Senior Scout troop. Everybody joined in on old favorites or sat by and listened to Scout songs and piping Brownie tunes.

At last the fathers were persuaded to sing and, standing shoulder to shoulder, with their backs to the audience, they obliged with the above-mentioned classic.

Next summoned were five leaders, the only women there, who rendered a hurried and faintly off-key version of that "Long Long Trail."

At last the young daughters stood at salute and sang "Taps" into the darkness and silence of thoughtful fathers.

Trash and dish details took up from there and the three hour meeting was over, a whopping success for a first attempt.

Honorable mention went to those who planned and executed the affair: Mr. and Mrs. George Andrews, Sam McElfresh, Mrs. Patricia Crowell, Mrs. Jean Vein, Barbara Termath, Mrs. Jane Morse, Mrs. Evelyn Woodworth and Mrs. Marjorie Barter.

The Frog TALKS about ROBERTS MARKET and things

Shall I ask the brave soldier who fights by my side
In the cause of mankind if our creeds agree?
Shall I give up the friend I have valued and tried
If he kneel not before the same altar as me?
—Tom Moore.

MOM AND POP ARE BACK HOME after a trip which took them up the coast until rain drove them inland to Salem, Oregon, thence to Portland and finally to Yakima, Washington. Roberta and Muzzy are living there until Muzzy completes a new factory for a company which processes dried fruits, one of which is the apple ingredient in Betty Crocker's new apple PYEquick, which makes a complete pie with the addition of water and sugar. Yes, we have it! And it is good!

TO RESUME MY STORY, MARVEL, the younger Roberts, was spending part of her summer among the orchards and cowboys of Washington, so the folks brought her home with them by way of the Columbia River Highway, Eugene, Chemult, Crater Lake and Lake Tahoe. They all returned sound of limb and tongue, and from all accounts it was a wonderful trip.

I DID NOT GO WITH MOM AND POP this year. The idea of being bounced around in a "tear drop" camp trailer for 3000 miles did not appeal to me. Besides, I was afraid that with Marvel along, a shortage of space might result in my being "bounced" for good!

MOM AND POP ARE FULL OF ENTHUSIASM for the great out-of-doors, particularly the National Forests, the State Parks and the fine men who administer them. What they saw at first hand of the Northwest, with its sparkling streams, its deep, placid lakes and its lush meadows, all bordered by whispering evergreens and framed by the mysterious mountains, made a deep impression on them. It rained in Oregon, snowed at Crater Lake, almost froze at Lake Tahoe—so you can imagine their reaction when they arrived home to find the thermometer trying to blow its top!

WHAT, YOU ASK, HAS ALL THIS to do with the grocery business? Well, not much except that I believe you are interested in the goings on of the Ourville's leading purveyors of fine foods, just as I know they are deeply interested in what you nice folks do and think—

OUT OF ALL THE KIND AND ERUDITE words which POP has spilled, the most pleasing of all was his statement that my vegetable department has the best display and the best quality of any that he saw in over 3200 miles of travelling and shopping. DEANE, PLEASE NOTE!

ALWAYS I TRY NOT TO BE SMUG about this big little store, but I must admit that usually it does look pretty good to me. And from what I hear you kind folks say, likewise it must look pretty good to you. While I still have the floor (or should I say wet stand?), I want to call your attention to my fine Santa Clara Valley Strawberries; my beautiful San Joaquin Valley Grapes; my Coastal Sweet Corn and Broccoli; my sweet Lake County Bartlett Pears; AND those unusual, tasty Red Indian Peaches.

THERE IS A LOT MORE THAT I SHOULD say about the compliments POP had for the meat and grocery departments; but how can I talk about myself and everybody else, too?

SUFFICE TO SAY, FOR NOW, THAT we have Meats—only the best—of all kinds: Potato Salad—just one kind—and that's BETTY'S; and more of all needed fancy and staple groceries which for so long were so scarce. Better quality and competitively priced, too!

WELL, IF YOU MUST PAY THE HIGH prices procers must now charge, by golly, you are entitled to the BEST—and that's where WE come in!

So long for now—
I'm tired, too!

Ascension Church Parish School Organizes Day Classes And Arranges Schedules

An innovation in the work of the Episcopal Church in the Pasadena Convocation and Los Angeles area will be the Parish Church School organized by the Ascension Church, Baldwin and Laurel Avenues.

The Rev. Harley G. Smith, Jr., rector of the parish for the past two years is leading in this new educational work which will be for both parishioners and non-parishioners of Sierra Madre.

With the recent complete renovation of the Parish House in which the School will be housed, rooms have been redecorated, seats installed, blackboards placed along the walls to make the place thoroughly modern and suitable as class rooms. The large play ground next to the school has been graded and new equipment installed.

In charge of classes will be Mrs. Helen H. Elliott as principal and Miss Ruth Berrien. Both teachers are university trained women, have had wide experience in elementary school teaching in both public and parochial schools and are accredited teachers. Both Mrs. Elliott and Miss Berrien are in residence and will be at school for additional registrations Friday and Saturday of this week and Monday, September 15, opening day of the new school.

Father Smith announces that the registration has been very satisfactory so far with room for a few more suitable pupils. This year only the first four grades will be conducted, but each year additional grades will be added until all eight elementary grades are established. The school at present is limited to a capacity of fifty pupils.

In announcing the opening of the new school, Father Smith said that, "the four R's will be stressed; readin', 'riting, 'rithmetic and religion. Along with this there will be given the necessary training in courtesy, good manners and proper social behavior." Father Smith also said, "We must do all that we can not only to promote good Christian Citizenship but to lay the foundation for that true Christian leadership without which a democracy cannot live."

Bullock's Pasadena Store Open

Bullock's new Pasadena store on South Lake Avenue, opened yesterday in a blaze of exotic colors complemented by rare woods skillfully designed to show to advantage the excellent collection of merchandise gathered for appeal to Pasadena and San Gabriel Valley communities.

From the fountain foyer on through the six shopping sections, the casual but colorful charm of California living has been exploited in murals, vast stretches of glass, brilliance of fabric and intelligent architecture.

The utmost in shopping convenience has been pledged as a policy of the giant store whose coming marks another stride in the development of the Pasadena-SanGabriel Valley.

MASTER'S DEGREE AWARDED ALICE JAMES

Alice James, daughter of the John C. James of 649 West Grandview, received her Master's degree, August 29, in the school of Social Service Administration, University of Chicago. Miss James was granted her Bachelor's degree from Berkeley and continued there for the first year's work toward her Master's. She entered the University of Chicago on a Red Cross scholarship, and remained there until loaned to the government to make a survey, with a group of government officials, of the sanitation situation of Chicago and environs.

For the past ten months she has been employed part-time at Evanston Hospital and plans to remain another year, hoping eventually to come West to continue her field of work.

On an October vacation she will visit friends in North Carolina and Washington, D. C.

Labor Law Subject Of Kiwanis Talk

Victor V. Veysey, residing at 686 Ramona, in this city, manager of the General Tire & Rubber Co., was the speaker at the Kiwanis luncheon Tuesday, introduced by Eugene Lunsford, program chairman for the day. He discussed the Taft-Hartney Act, as representing a significant turning point in the relations of capital and labor. It eliminates the Wagner Act which was a dominant labor law, being largely a protection for the Unions.

The Taft-Hartney Act attempts to balance up and not favor the Unions over the employers. It eliminates the closed shop, but there may be Union shops, he said.

The local Kiwanis and Lions clubs will hold an inter-club meeting Thursday evening, September 25.

STANTON IRVINE TO ENTER PORTLAND BIBLE SCHOOL

MRS. CLARK BACK HOME AFTEN TEN DAYS IN NORTH

Mrs. Lillian Young Clarke returned this week from San Francisco where she invested ten days in seeing everything the city could offer. On her arrival home she was surprised at the Union Station by a delegation made up of her sons, Jack and Carl Young, their wives and young movie starlet Janie Polwell, who took her in tow to a previously arranged Chinese dinner.

Mrs. Clark is at Catalina now for the last gasp of her vacation before the job sets in.

MUTTER-HEDIN MARRIAGE AT ST. RITA'S SUNDAY BEFORE FATHER LEO SCHEIBEL

MR. AND MRS. GEORGE MUTTER honeymooning in the North following their marriage Sunday afternoon at three o'clock
—Photo by Joe Hinojos

St. Rita's Church was alight Sunday afternoon with white baskets of white gladiolus, asters and chrysanthemums for the wedding of June Laurel Hedin and George John Mutter.

Miss Hedin, daughter of Mr. and Mrs. Austin Frederick Adams of Rancho Road, was given in marriage by her father. She wore a gown of crystal white satin finger tip veil held in place by a heart shaped tiara of lace and orange blossoms. The bridal bouquet was a shower of orange blossoms and white ribbons from a center of white orchids.

The bride's attendants were Lois Hedin, a sister, as maid of honor and Barbara Gee, bridesmaid. Their gowns were taffeta, hoop skirted—quaintly styled in orchid and fuchsia shades. They carried old fashioned bouquets of roses to match the rose head dresses.

Best man was the bridegroom's brother, Otto Mutter, Jr., assisted by James Peglau of Glendale as usher.

Following the church service at three o'clock the guests adjourned to the Woman's Club for a reception. Mrs. Marjorie Cordry assisted as hostess, serving the wedding cake. The bride's mother was seen in a burgundy afternoon gown with powder blue feather hat and the bridegroom's mother, Mrs. Otto Mutter of Pasadena wore a gray gown. The mothers' flowers were identical corsages of tuberous begonias.

Mr. and Mrs. Mutter will make their future home in Pasadena. Mrs. Mutter has made many friends in her post-war position as receptionist-nurse in the offices of Dr. M. H. A. Peterson.

Big engines... long trains mean lower cost to you!

But union leaders want "half-trains"-double crews!

Big locomotives are built to do a big job in the big country which is America—a big job in peacetime as in wartime. They are built to pull long trains.

Long freight trains can handle *more* goods at less cost—to you—than short trains.

Long trains mean fewer trains—fewer chances for accidents—fewer interruptions to traffic.

But a few railroad union leaders oppose long trains—among their current 44 demands for changes in rules is one limiting the length of freight trains to 57 average cars. Why do they demand this?

For "safety," they say. But *is* it?

Government figures show definitely that long trains mean greater safety to railroad employes and public alike.

Then, if safety is not the *real* reason—what is the reason behind this demand?

It is to make more jobs which are not needed—to get more pay! This "made work" would be sheer *waste*. Think of big, modern locomotives using only *half* their power.

For this waste, you—the public—would have to pay. Higher costs mean a lower standard of living for everybody. Nobody *wants* that!

Here's the record...

In the quarter century... 1921-1946...

Average length of freight trains has gone up	39%
Average speed of freight trains has gone up	39%
The rate of injuries to railroad employes has gone down	60%
Average wages paid railroad workers have gone up	84%
Price of railroad materials and supplies has gone up	58%
Railroad taxes have gone up	76%
But the average charge by railroads for hauling a ton of freight one mile has gone down	23%

COCHRAN-ANDREWS WEDDING VOWS SOLEMNIZED AT ST. ELIZABETH'S; COUPLE HONEYMOONING AT LAGUNA

The wedding of Dorothy Lee Andrews, daughter of Mr. and Mrs. Lee Andrews of Pasadena, and Jack W. Cochran, son of Mr. and Mrs. Phil Cochran of 87 East Sierra Madre Boulevard, took place September 2 at 9 A. M. in St. Elizabeth church, Pasadena.

A wedding breakfast, attended by members of the immediate family and the wedding party, followed the ceremony, after which the couple left for a honeymoon at Laguna Beach.

The bride was gowned in a brown gabardine dressmaker suit with gold and brown accessories and wore a brown orchid corsage. She was given in marriage by her father and attended by Lou Meverden of Pasadena. Troy Bond served as best man and George Morzou ushered.

Among the guests from Sierra Madre were the groom's parents and sister, Suzanne; Mrs. Sam Gorman, his grandmother; relatives Mr. and Mrs. Bill Whaley, Mrs. Clyde Rone, and the Howard Millers.

Mr. Cochran served two years in Germany as an Army sergeant. He graduated from the Aurora, Missouri, High School prior to entering the service and will continue his education at PCC this Fall in business administration. Mrs. Cochran attended John Marshall High and is a graduate of PCC.

The newlyweds will be at home at Marr Court, North Mountain Trail, after October 1.

PRITCHARDS HOSTS TO KIN AT ALEGRIA HOME

Miss Martha Pritchard and her brother, Dr. Arthur O. Pritchard, have been host and hostess to a series of house guests at their Alegria home, enjoying this week a visit from Dr. Pritchard's son, Arthur O. Pritchard, Jr., and his wife, here from Berkeley.

Fred A. Smart of New Hampshire, a former roommate of Dr. Pritchard's is Brown University, planed here from the East and spent the long Labor Day weekend with them. He was accompanied by his sister, Miss Flores Smart, who is staff member of a New York Hospital.

To complete the circle of old friends, the Pritchards also were hosts to Mrs. Joseph Taylor whose late husband was a Brown University graduate.

STRITES' GUESTS LEAVE FOR EAST

Mrs. John Dingwell and daughter, Joanne, left last week for Washington, D. C., after a several week visit with Mrs. Dingwell's sister, Mrs. Dan Strite.

Mrs. Strite entertained for the visitors with a tea at her Auburn street home prior to their Wednesday departure.

BIENVENIDO Y COMO ESTA?

With rings on her fingers, silver hoops in her ears, but no bells on her toes, Ginny (Mrs. Lorne) Pratt, returned last week from a whirl in Mexico City where she joined Mrs. Jack Paschal and Mr. and Mrs. James Speer.

After undergoing violent thunder storms in her South-bound plane, she reached the City, her friends and her peace of mind. Basing at the Geneva Hotel the foursome visited Cuernavaca and Tasco, at length driving home via the Pan American highway through Monterey.

RECEPTION IN PRITCHARD HALL FOLLOWS CHURCH RITE SUNDAY AFTERNOON AT FOUR

MR. AND MRS. GEORGE LEWIS

Two hundred and twenty friends and relatives assembled in the Congregational Church Sunday afternoon at four o'clock to witness the marriage of two of Sierra Madres well known families. Rev. Carl Smith, pastor heard the nuptial vows of Lela Marie Pickett, daughter of Mr. and Mrs. Roy Pickett, Highland Avenue and Lewis I. George, Jr. son of Mr. and Mrs. L. I. George of North Canyon Drive.

The bride, given in marriage by her father, chose a rich white satin for her gown with train and finger tip veil. She carried a shower bouquet of gardenia and bouvardia. Matron of honor was the bride's sister, Mrs. Marjorie Pickett Shipway, attired in a canary yellow gown made similar to the bride's and carrying pink rosebuds to match her head dress. Miss Velma Pickett, another sister, as bridesmaid wore a powder blue gown and carried salmon pink rose buds.

The bridegroom's brother, Earl E. George was best man with Clarence Garrison, George Shipway, Melvin Stone and Robert Howell ushers.

George Tyree sang "Always" before the ceremony and Mylot's "Lord's Prayer" during the service with Jean Askew at the organ.

The bride's mother wore a dusty rose crepe dress while Mrs. George chose a turquoise crepe; both wore gardenia corsages.

Elva Pickett, youngest sister of the bride, in a turquoise pink dress with rosebuds in her hair, had charge of the guest book at the reception in Pritchard Hall which followed the ceremony. Hostesses were Mesdames Robert Thomas, John Wilkerson and Robert Athay. The happy couple left during the reception for an undisclosed honeymoon destination.

Among the out-of-town guests were the bridegroom's grandparents Mr. and Mrs. William Frauenberger of Manhattan Beach and U. S. George of Los Angeles.

Mr. and Mrs. Lewis I. George entertained last Friday with a dinner at Chapel Inn for the bridal party, including 21 guests. The dinner preceded the rehearsal at the church.

Mr. and Mrs. George will make Sierra Madre their home, Mr. George being associated with the Sierra Madre Hardware.

HAROLD SPEARS HERE AND THERE

Mr. and Mrs. Harold Spears and two children ducked into town Friday just long enough to tell friends that they were returning to their Arrowhead cabin for another week. All told, the family has passed three months on the mountain top.

R. C. LEWIS RETURNS WITH FISH TALES

With another of those "all we could eat" stories, R. C. Lewis has returned to his Toyon Road residence after a fishing trip into the Kern Canyon country and a horse-back sortie up Mt. Whitney.

Along with him traveled his son-in-law, Llewellyn Bixby, grandson, "Bix", and Paul Elmquist of the Oaks.

YOUNG SON BORN TO BONNABELS

Mr. and Mrs. Ernest Bonnabel (nee Mary Thill) announce the birth of a son, Lawrence, born August 29th at St. Luke Hospital. Mrs. Bonnabel and son came to the home of her parents, Mr. and Mrs. Peter Thill, 59 East Grandview Friday to stay a few weeks before returning to the Bonnabel home in San Gabriel.

If you drink, don't drive.

MURRAYS CELEBRATE TENTH ANNIVERSARY

Mr. and Mrs. Lawrence Murray were tendered a gay 10th anniversary party Sunday evening at the home of Mrs. Iola Martin when four couples gathered to honor them.

Along with a gay tin bride and a sumptuous bouquet of carved turnips and carrots, the group presented the Murrays with a metal patio chair.

DESIGN FOR HOLIDAY

Mr. and Mrs. Thomas E. Gibbon and Carolyn have returned from a three weeks holiday divided between Coronado, San Francisco and Squirrel Inn, near Lake Arrowhead.

BALLING BABY TALK
By Maxine Balling

CUTEST greeting cards we've ever seen here at the Balling Baby Shop just came in. Next time you're over this way stop in, look them over and have a good chuckle with us. They're "Kiddie Kards", designed down at Laguna. The ideas, rhymes and illustrations are clever and DIFFERENT. There are cards for birthdays, get-well, party invitations, birth announcements and even cute cards to send to teacher. All ten cents.

JOANIE, that's my youngest daughter, is just tickled to pieces with her new corduroy jacket for school, and she insisted that I tell you about them. They're very fine corduroy in bright red or copen blue, with a pointed hood which is attached but can be taken off. The whole thing is reversible, with beautiful wool plaid on the other side. Sizes are 7 to 14. Price is 10.95.

IF YOU WANT TO SAVE considerable money on sunsuits or playsuits, come in early tomorrow, for we're closing them out at HALF PRICE. The youngsters can still get a lot of good out of them this fall, and will have them for next spring. Odds and ends, sizes 1 to 14, and some real buys.

NEW SWEATERS for school are coming in now. They're beautifully made, dark green, red, white, yellow, powder blue, and brown. Sizes 7 to 14 are 3.95 to 5.95 and sizes 4 to 6 are 2.95 and 3.95.

WHAT'S SWEETER on a little tot than corduroy bib overalls! We just received some new ones, fine pin wale, in sizes 2 to 6, red, powder blue, aqua and regal blue. I hope they're not all gone by the time you come in . . but I have my fingers crossed, for every mother who sees them just can't resist taking them away from us. They're 3.50.

That's the way it is at the BALLING BABY SHOP . . . so many things are so cute that we like to keep them, but our nice customers just take them right away from us and insist on leaving money for them. If you don't know where the Balling Baby Shop is, it's at 401½ South Myrtle, in Monrovia. We have a phone too, Monrovia 5981.

Whalen To Exhibit At Art Fair

Localite Howard Whalen, ceramic artist, will be among the exhibitors at the 3rd annual Pasadena Art Fair being staged in City Hall Plaza September 19 and 20 under joint sponsorship of the Junior Chamber of Commerce and Artists Associates.

Mr. Whalen, who taught ceramics and sculpture at the University of Michigan, has exhibited in Detroit, New York City and the National Ceramic Show in Syracuse.

He was engaged in display and architectural sculpture in Detroit before coming to Sierra Madre last winter to take residence on Woodland Drive.

HAND-MADE DRESSES MODELED AT TEA BY GIRL SCOUTS

Members of Girl Scout Troop 6 ended their summer badge work last Friday with a fashion show at the home of Mrs. Raymond Cavalier, 159 East Laurel. The girls modeled dresses they had made and note books on child care work were on display.

Nine girls earned Clothing Badges and seven earned Child Care Badges.

A water carnival was to be given for the troop yesterday afternoon at the home of Mrs. Colin Timmons on West Orange Grove.

Pro-America Units To Meet Nearby

On September 17, the 26 California Units of Pro America will hold meetings commemorating Constitution Day. Pasadena's Unit of which Mrs. Noren Eaton is a director, resumes its activities with this meeting, which is to be held at 2 p. m. at the home of Mrs. E. H. Erhard of 1075 Lagunita Road, Pasadena. Ed Ainsworth, newspaper man and author of the California historical novel, "Eagles Fly West," will be the speaker.

Mrs. Norman Kelch, hospitality chairman, with Mrs. Fred S. Hilpert, Mrs. Leonard K. Schwartz and Mrs. E. V. Winterer, will assist the hostesses. Members are urged to bring guests.

October, November and December meetings will feature talks on propaganda presented by Mrs. Benjamin S. Parkes. Also scheduled for October is a luncheon sponsored by the Arcadia Unit, presenting Richard Nixon, Representative of the 12th Congregational District. Mr. Nixon is now in Europe, serving as a member of the Herter Committee on European Economic Aid. Details of the forthcoming meetings will follow at a later date.

MARTINET SONS KEEP THE HOME FIRES BURNING

The Robert Martinet household was a busy one this past week-end when, Friday evening, son Ronald, who attends St. Francis Seminary in Flintridge, entertained 36 of his friends at a party which included dancing, ping-pong and activity on the trampoline.

Rumor has it that the high light of the occasion was an impromptu jam session put on by three of the boys with piano and clarinet. Barbecued refreshments were served late in the evening.

Saturday, Robert Martinet, Jr., and 15 of his associates of the Airway Training and Charter division at El Monte Airport enjoyed an evening of flight and sport pictures, followed by a barbecue supper.

Vatican Choir In World's Music At Hollywood Bowl

At a time when the world is still filled with tension left over from the racial, religious and national hatreds that precipitated the war, a group of vested choristers have come from the ancient Vatican to tour the United States on a mission to create good will by singing the age-old liturgical chants of the Jewish and Protestant Churches, as well as Catholic.

To music-lovers this tour will be the musical event of a generation, for this is the first time that the ancient canticles by Vatican singers have been heard in the western hemisphere. But the visit has an historical significance also in the fact that that this is the first time that the Pope has ever authorized Vatican choristers to sing outside of their Roman chapels.

In the interest of promoting international peace by the creation of good will and tolerance through music which is a universal language, Pope Pius XII gave his permission and also authorized the choristers to wear their colorful vestments of the Vatican choir lofts. In keeping with the spirit of their mission the tour, which will include all the large cities of the United States and Canada and also Honolulu, is being sponsored by an inter-faith committee of Catholics, Protestants and Jews.

The singers comprise an all-male chorus of 60 vocalists, chosen as the finest of the four great Vatican chapel choirs—St. Peter's, the Sistine Chapel, Santa Maria Maggiere and St. John Lateran. They range in age from eight to sixty-eight, thirty of them being 15 and many of whom were orphaned by the war. Of the 30 adult singers, eight are ordained priests, members of several monastic orders.

In still another way the mission of the singers will help erase the effects of the war. Part of the proceeds of the concerts will be for the benefit of the destitute war orphans of Italy, reclaiming them to useful lives through the establishment of "Boys' Villages," such as that which modelled on the lines of Father Flanagan's famous "Boys' Town" is operating successfully at Santa Marinella near Rome. American charities will also benefit by the tour because a certain percentage of each concert's proceeds will be donated to local charities.

The world-famed composer-conductor, Msgr. Licinio Refice, who directs the renowned Vatican Choir. The singers are on a world tour at the behest of Pope Pius XII fostering good will and amity. They appear in Hollywood Bowl Sept. 21-22.

Between-Season Programs Present Only Stand-Bys

With the switch from Summer to Winter programs the listening public has lost out on several good classical programs. No more Saturday Concerts, no more Boston Pops, but the big symphony programs go on with excellent performances.

THURSDAY, SEPTEMBER 11

Concert of Nations (KFI 7:30 to 8 p. m.) Classic and modern choral music.

SUNDAY, SEPTMEBER 14

Lee Sweetland (KFI 10:30 to 11 a. m.) Frank Black conducts and the music is pleasing.

CBS Symphony (KNX 11 to 12:30) No advance but should be up to par.

NBC Symphony (KFI 1 to 2) Honoring United Nations Week, Frank Black directs Aaron Copeland's "Lincoln Portrait" with Will Adams, narrator. Also Dvorack's "New World Symphony."

Family Hour (KNX 1 to 1:30 p. m.) Rich-voiced Rise Stevens, mezzo soprano, has returned to the program, apparently for the remainder of the year. Lucky for us.

Sunday Evening Hour (KECA 5 to 6 p. m.) Regulation.

Standard Hour (KFI 7:30 to 8:30 p. m.)

MONDAY, SEPTEMBER 15

First Piano Quartet (KFI 6:30 to 7 p. m.) Always brilliant.

Gladys Swarthout (KFI 8 to 8:30 p. m.) Some gay songs and some arias for the popular contralto.

Christopher Lynch (KFI 8:30 to 9 p. m.) Pleasing voice with good orchestra behind it.

FIRE FLAMES

One of the most hazardous periods of fire danger is over the week ends. At this time many people go into the mountains and among them are the innocent and ignorant (which is which?) who either do not know or do not care. It is they who drop lighted cigarettes or matches into the dry growth. To most of Sierra Madre's fire fighters, the experience of climbing the side of a mountain to squelch a fire is well known. It is not an easy assignment.

The nation is becoming more and more conscious of the value of FIRE PREVENTION and the advantage of paying a little for saving, rather than a lot for destruction. To some it may seem a waste to have expensive equipment stand-by with only occasional use, but like the boys who are watching the trails their value cannot be over-estimated.

When a combined meeting of firemen's organizations met at Balboa last week, several of our leading firemen attended! Mayor Steinberger, Chief Heasley, Assistant Chief George Norris, Secretary Joe Swanson, Jimmie Tyler, Bob Thomas and Marvin Thomas. The trip was long, but all went in order that their votes should be cast for a representation of Sierra Madre's choice at the forthcoming State Firemen's Convention.

The pilgrimage was not without the expected good time that goes with a trip of firemen. And once more the Sierra Madre Diplomats were unable to solve the intricacies of new streets and many improvements. Instead of going north to the right one of the drivers took to the left and drove south. Good fortune landed them in Long Beach without landing them in the City Jail.

Plans are being laid for the trip to the convention at Hoburg's Resort September 22. This is located north of San Francisco in one of the beauty spots of California. Because the League of Municipalities meets at San Francisco at the same time, some of the City Councilmen are planning to accompany the firemen as far as the northern metropolis. Such an intermixture of management and labor may develop anything from plain argument to roadside thumbing.

The business of the finemen at the assembly is well attended by those who are delegated to do so. Sierra Madre will always be well represented as long as George Norris attends the State Conventions. (And the other boys see to that as well).

We have hopes of a piano after the request of last week in the SIERRA MADRE NEWS. A lady friend of the firemen is tracing one that may be found in Long Beach and if necessary, the firemen will go there for it. If such comes to pass we can expect some tolerable music, especially in the vocal line.

And just to remind you, this column is to help prevent fires from getting started. Let's get together this week and study ways and means to eliminate the danger of fire. That means that we must clean up the yard and be careful with fires. We can't expect to smoke in bed without endangering the household. Recently a Los Angeles family was burned out ond one member died after a cigarette was allowed to drop onto a cushioned davenport. DON'T SMOKE IN BED! If you can think of any other cause of fire—DON'T DO IT!—and we'll keep the FIRES OUT.

PICNIC
The Nebraska state Fall picnic will be held at Sycamore Grove, Los Angeles on Saturday, September 13th.

RADIATION
A radiation medical laboratory primarily concerned with finding means of treating radiological injury to man will begin operation next month on the Los Angeles campus of the University of California.

Water leak. (And right after Joe Swanson asked that we be careful with the aqua.) . . T. C. (Traffic collision). At an intersection. None of our intersections can be crossed without looking in all directions before entering. . . An outdoor movie sound is too loud to please the neighbors. . . Grass Fire. Happened in Arcadia, right next door. Sierra Madre men were there first. Stood by.

H and R. (Hit and run.) This time 'twas a dog. . . Found bike. . . Missing person. Returned home at 3:20 P. M. following day. Long enuff to cause anxiety. People shouldn't do things like that. . . Flowers again reported missing from a garden. Nearly resulted in disturbing the peace charge. . . . Vandals destroying awnings along the street. (Cut-ups). They may be cut-up too, when caught up. . . Prowler. . . Chunn reported that a barking dog had gone to sleep and that he would check later if the dog awakened. . . . Embree wrote that the disturbance was a family quarrel and that they were having a "good healthy argument with their breakfasts."

Car parked on private property. . . What Rudy Hartman thot was an attempt to break in was proven by Chief McMillan to have been the markings of a large truck that backed too close to the rear door. . . Stray dog. Redeemed by owner. (New license was paid for.) . . . . While the folks are away, the dog wails away and Chunn goes there to see. The dog sees Chunn and then for fun, hides behind a tree. (And after Chunn left, the howling began again.) . . Again and again, Officer Chunn tried to comfort the lonesome dog, only to be called later. . . Folks who leave their dogs at home should provide some sort of entertainment for the lonesome canines. . . If the dogs don't look out, LOUD RADIOS will take first place on the complaint list. . . Chunn finds a "couple of neckers" in a suspicious car. . . Missing child. Found quite a way away from home but recovered in a few minutes. . . Two lovers quarrel. She had a slit on her neck and a cut on her lip. He is being hunted by the police.

Chico, California, sends Sierra Madre a warrant to be served on a local person. . . Two boys lost in Bailey Canyon. Some one heard their calls for help and they were rescued. . . A light from a refrigerator brot the police to a vacant house. . Rhodes handed Chunn a written report that read, "Bugler in house NOW." Chunn on the run held his gun, and found that the bugler was meant to be a burglar but that "Everything was OK."

YOUNG INVALID PASSES AWAY AT HOSPITAL

Mr. and Mrs. Edmund A. Harris of 134 W. Grandview, received word of the death of their 4½-year-old son, Edmund Alfred Harris, Jr., in San Francisco of pneumonia in the University Hospital where he had been recently entered for paralysis treatment. The family left by plane for San Francisco to attend the funeral. Next Sunday the interment rights will take place at Forest Lawn's Babyland.

MISSIONARY PROGRAM AT BETHANY

In a program of over-seas interest, Mr. and Mrs. Don Rubesh spoke Sunday evening at Bethany Church, describing their missionary work with the Scandinavian Alliance Mission of North America.

They expect to leave next month for the Tibetan frontier of India, as the first missionaries to that section. While here the Rubeshes spent three days with the Stanton Irvines, friends of long standing.

Harry Liu, foreign representative of the Pocket Testament League in China, spoke at the church Wednesday evening on the League's work in China. Mr. Liu, who is a graduate of Moody Bible Institute in Chicago, left San Francisco Friday to return to China after being in this country since March. He is a personal friend of Rev. Clarence Nida.

HUNTINGTON LIBRARY RESUMES SEPTEMBER OPENING AS PRE-WAR

The Huntington Library in San Marino, returning to its pre-war schedule, is remaining open to the public this year during the month of September. During the war, because of shortages in staff, the annual October closing was extended to a two-month period to include September. Now, with conditions again normal, the institution no longer need disappoint visitors whose vacations in California happen to fall in the weeks following Labor Day. Anyone planning to visit the exhibitions and botanical gardens during September may obtain the necessary reservations by telephoning or writing to the Huntington Library. Hours are from one o'clock to four-thirty every day except Mondays.

UCLA OFFERING ADULT CLASSES IN THIS AREA

Twelve southern California communities will be served by University of California Extension this fall, when adult education classes open beginning September 15, according to Dr. Paul Sheats, associate director.

Among the communities in which University courses will be available are Pasadena and South Pasadena.

Information concerning University courses, a majority of which are open for enrollment regardless of previous academic training, may be secured by addressing University of California Extension, Los Angeles 14. Veterans may use the educational benefits available to them under federal and state laws to enroll in University Extension courses.
